PERSONALITY

Greetings! My name is Chante Ferguson and my ultimate goal is to be the actress of the century. I love to escape and become someone else. Learning their story and truly experiencing what it's like to walk a mile in someone else's shoes. I am sagittarius, well the heart of the sag if you ask me! Lol! I love food and I'm very fun and exciting to be around. I love to inspire, motivate and gas light people's souls and energy. It feels good to know I'm the reason someone is smiling. I believe I am a spiritual being, so I'm creating and manifesting all that I want to experience and desire. Acting is my life and it's what I was born and created to do. I love learning and I'm always working on my skills. I'm a team player and I'm an extremely dedicated actor. Im looking forward to seeing you on set.
