- TV series
- Singing and dancing
- Athletics
- Movies
- Running
- Bilingual
- Stunts
- Modeling

DESCRIPTION

I am an actress from California who has performed in school plays and done independent auditions. I am interested in roles that highlight the complexities of my personality and roles that are out of my comfort zone. I love watching film/television, and on my free time I love to bake! I also love to spend my free time with friends and family! Funfact about me is that I'm a twin and I'm bilingual!
