EDUCATION

WILMOT UNION HIGH SCHOOL, WILMOT WI

SEPT 2016- JUNE 2020

I was a member of our film club at our high school as well as stage crew. During my senior year of high school I also did the Early College Program in which I attended college film classes after school.

UNIVERSITY OF WISCONSIN MILWAUKEE

SEPT 2019-JUNE 2020

Took courses during my senior year of high school in person. I would travel up to Milwaukee up to 3 times a week to take film courses. One course in particular we took 3 months and raised money to create a film to enter into the Milwaukee Film Festival.

DEPAUL UNIVERSITY- BA FILM & TELEVISION

SEPT 2020- CURRENT (WILL BE GRADUATING JUNE 2023)

I currently attend DePaul University where I am working to get a bachelor's degree in Film & Television. At DePaul we use standard industry equipment and learn on the cinespace stages where shows such as Chicago Fire, Chicago Med, and Chicago PD have filmed. I do not have a concentration as my career goal is to become a producer and I want to understand how all the roles on a film set work.

SOFTWARE/EQUIPMENT:

I am familiar and have used:

-adobe premiere

- adobe photoshop
- adobe lightroom
- Pro Tools
- imovie

COMMUNITY SERVICE:

WILMOT CHALK FESTIVAL—

MY FAMILY CREATED AN EVENT TO SUPPORT OUR LOCAL SHARING CENTER. IT WAS A CENTER FOR LOW INCOME FAMILIES IN OUR AREA. THE EVENT ALSO WORKED WITH A LOCAL ARTIST IN WHICH WE HOSTED A CHALK ART CONTEST AND ALL PROCEEDS WENT TO THE SHARING CENTER.

FUNDRAISERS—

MY FAMILY HAS HELPED WITH NUMEROUS FUNDRAISERS, WHETHER ITS SELLING PRODUCT WITH THE PROCEEDS GOING TO A SCHOOL OR DONATING A BASKET FOR THEIR EVENT.
