Work Experience

Substitute Teacher

Scout Education - Los Angeles, CA

November 2022 to Present

Teach, assist, and motivate students with various learning disabilities to apply themselves and work through difficulties.

Cover for Teachers from grades preK-12 by implementing assigned curriculum.

Worked with staff to provide best learning outcomes for students who have learning disabilities.

Traveled to various locations of both public and private learning institutions to provide educational assistance when needed.

Background Actress

Central Casting - Burbank, CA

August 2018 to Present

Traveled to a wide range of filming locations to assist in realistic television and movie development by providing background movement to various scenes.

Acted as a Stand-In to relieve actresses in whom I closely resemble, in order to aid the filming crew in lighting and setting the scene while the main actress stepped out.

Eligibility Specialist

Serco Incorporated - Wentzville, MO

March 2012 to February 2018

Received and processed applications for health care insurance.

Thoroughly scanned each identification document to determine authentication.

Mailed application status result statements based on findings.
