To Whom It May Concern,

It is with great pleasure that I am writing to introduce and recommend an experienced gifted actor. Alexander Stamate, by his stage name Alex Stama, graduated from our most prestigious National University of Theatre & Film I.L Caragiale in 2017.

With his strong background and training in the art of acting Mastering all Acting methods, Alex has taken on a wide range of roles which have contributed to the development of his confidence, skill and perspective. He has a unique way of capturing the audience with his charm and authenticity. His varied portfolio together with his genuine talent and enthusiasm make Alex stand out both on stage (*A Midsummer Night's Dream, The Idiot, The Seagull*) and on screen (*I Am Alien, I Know My Potential and the upcoming long-movie Kickstarter*)

Beyond his abilities, Alex is fun, kind and energetic. He is a superior actor and bookends natural talent with skills in dance and vocal expression. Also, not insignificantly, he is easy to work with and takes every aspect of acting very seriously. He is always prepared for auditions, works hard, takes direction well, and lifts other performers up rather than taking on a competitive attitude.

I am confident that this promising and capable actor will add great value to the industry if given the opportunity, so I recommend him without reservation. If you have any questions, I will be happy to be contacted at email [adriantitieni@yahoo.com](mailto:adriantitieni@yahoo.com)

Sincerely,
