QUALIFICATION SUMMARY

Passionate and driven screenwriter and script analyst bringing over seven years of experience. Proficient in script and story development, structure, character creation, and growth. I'm incredibly motivated, hard-working, and committed to striving for innovation, originality, and creativity to build stories people can relate to or use as an escape from the daily norms.

EXPERIENCE

CoverageInk | Script Analyst | **Los Angeles, CA** Feb 23 - Present

- Assess scripts and give an in-depth analysis of the overall script and what works and what doesn't.
- Comprehension of structure, script building, and functionality of TV and film screenplays.
- Finding what is lacking in the script and providing the writer with fixes for all aspects.

Austin Film Festival | Script Analyst | **Remote Work** July 22 - Nov 22

- Read over 85 scripts (roughly 9,000+ pages) in 6 weeks.
- Voted on which scripts would be moved forward to semi-finals or finals.
- Provided notes explaining why a script did or did not move forward, along with creative suggestions.

1307 Productions | Script Writer | **Remote Work** Oct 20 - May 22

- Worked as a writer heading up their initial TV pilot, where I brought to life the characters I was presented with and was given creative freedom to take their vision and grow it.
- Stayed in constant contact with the heads of the company to provide updates and pages for them to review, allowing me to edit and adapt until the script was perfected continuously.
- Was tasked with rewriting an old project of theirs to add depth to the characters and story.

American High | Script Analyst | **Culver City, CA** July 17 - Mar 20

- Proofread and evaluated scripts being considered for production by head producers.
- Offered producers suggestions for edits to consider before the scripts were given the final "OK".
- Provided writers detailed notes, edits, and recommendations to benefit their scripts.
