+1 216 399 9484

Michaela Quirk is an artist who loves working with her hands in creating art displayed in the day to day life. She has a wide range of knowledge in sculpture such as; sewing, molding and casting, painting, epoxy, foam sculpting, basic woodworking, and more. She is passionate about cosplay, makeup and hair, set building, and singing as well. Basically she likes everything, and loves to create. She looks forward to learning more and helping others with her skills.

Willing to relocate to: Kennesaw, GA

Work Experience

Alterations Specialist

David's Bridal - Lyndhurst, OH

June 2021 to June 2023

As an Alteration Specialist at David's Bridal I was their full time seamstress. I performed fittings with customers daily, hand and machined sewed their garments, created sleeves and custom designs from scratch, made appointments and answered questions on the phone as well as in person, and repaired garments that have been damaged. I maintained a calm environment for anxious brides, and made sure their experience was a fun and enjoyable one. I kept a high productivity rate to stay on top of my projects to ensure they were done by the promised date. I worked at David's Bridal for two years and learned what things can and can't be sewn with perfect results. I am extremely grateful for all the knowledge they have given me, and am all more excited to expand and learn more. My journey at David's ended due to the company filing for bankruptcy and closing my store location.
