Education

High school

September 2013 - November 2020

Braham area high school

- Have not finished high school. I am however working towards getting my GED. I had to drop out my senior year due to some personal issues and for my safety.

Other Activities

- In school I was part of the softball team and theater. I played basketball for a short while and managed the track team. I was also a teacher's assistant for the junior high choir.
