WORK HISTORY

Kidztopros - Stem Instructor
Los Angeles, CA, CA • 06/2022 - 01/2023

- Encouraged student interest in Science, Technology, Engineering, and Mathematics (STEM) and participation in middle and high school national science competitions.
- Evaluated and revised lesson plans and course content to achieve student-centered learning.

Tested students to assess progress and adapted learning plans in alignment with performance.

- Worked cooperatively with other teachers, administrators, and parents to help students reach learning objectives.
- Implemented creative ways to foster curiosity for complex principles through hands-on learning and planned activities.

Kadiant - Behavior Technician
Long Beach, CA, CA • 09/2020 - 12/2022

- Observed, monitored and recorded problem behaviors through accurate behavior-consequence data collection, graphs, and anecdotal notes.
- Conducted functional behavior assessments, functional analysis, preference assessments, and assessments of basic learning and language skills to identify target behaviors and purpose of behaviors.
- Provided one-on-one Applied Behavior Analysis (ABA)

therapy for neurodivergent clients in clinical setting/school setting.
- Identified psychological, emotional or behavioral issues and diagnosed disorders using information obtained from evaluation techniques.

Chick-fil-A - Marketing
Norwalk, CA • 01/2018 - 06/2020

- Conducted research to analyze customers' behavior, preferences and purchasing habits.
- Provided customer feedback to management and identified areas of improvement for products and services.
- Helped large volume of customers every day with positive attitude and focus on customer satisfaction.
- Managed administrative logistics of events planning, event booking, and event promotions.
