All For One and One For All

James Harrison Burt

CEO/Founder of All Star Technologies and Owner/Founder at Gold Records & HollowHeartRecords
Atlanta, Georgia, United States

About:

Hey, I am James Harrison Burt.

I am the CEO/founder at All Star Technologies & Gold Records.

I am also the founder of Crown & Anchor Inc.,
& (BurtBros Entertainment Production Company — A music/video production company that includes videography, photography, editing, graphic design, and products such as apparel/decor for all members).

Career relations:

I had the pleasure in being hired at a Five-Star Hotel, through the Marriott Corporation, The Ritz Carlton Lodge at Reynolds, Lake Oconee, Greensboro, GA. I was honored as being awarded #1 in my department, the first year at the restaurant/pool, as a seasonal employee. From being hired with the seasonal position, I was kept as a Full-Time employee of The Ritz Carlton Lodge at Reynolds.
I was then kept as supervisor over the pool deck with training, mentoring, and team building with all of my coworkers, supervisors, and managers. I have instructed and mentored coworkers at Gaby's by the Lake on the pool deck, as well as the restaurant, itself at The Ritz Carlton Lodge.

I have a great background in security and privacy as well as technical support/architecture in with electronics and physical layouts.

Academic Experience:

University of Advancing Technology -
- Bachelor of Business Administration - BBA, Business Entertainment,
- Associate of Arts - AA, Electrical, Electronics and Communications Engineering,
- Bachelor of Technology - BTech, Artificial Intelligence.

Full Sail University -
- Digital Cinematography/Audio Engineering.

James Harrison Burt
