SHAQUAN DUNCAN

BIO

Originally from the city of Saint Louis, Missouri & currently residing in Los Angeles, California - I am a Graphic Designer with a mission to help build more informative, insightful and creative designs within the spaces I occupy. With over 8 years of total experience, much of my work has been centered around live events, packaging design & brand identity. While I handle my daily tasks at work, I also enjoy running my own small business in the form of 93Till ®.
