## Summary

---

I am a Detroit based performing artist currently employed as a fitness coach. I have performed improvisational comedy at a professional level and I have performed standup comedy at open mics. I've written and recorded my own music that can be found on SoundCloud and was recorded at The Village in Oak Park. I'm currently a member of both the Launch Team at Go Comedy in Ferndale and the Farm Team at Planet Ant in Hamtramck. I have a YouTube channel with a prank call video I recorded in high school that has over half a million views.
