**** BIOGRAPHY ****

MGMT & BOOKING: bookusent@gmail.com OR www.creolebarbie.com

Elayshia also known as **Creole Barbie** is a rising model and made a name for herself appearing in music videos, magazines, trade shows, and calendars. **Creole Barbie is a creative talent with an international background in French, Indian, Black, Spanish, Cuba, Hawaii & Guam.** Although she travels between these countries, islands and cities her favorite hometown is Maryland, DC.

At the age of 6, she learned a lot in the entertainment business working with her family as a singing group performing in nightclubs all over Vegas. Since then, Creole's has been training with show business experience in acting, jazz, ballet, modern dance, hip-hop, cheerleading, athletics, and song writing of poetry.

Creole has been featured in countless magazines such as **Titanium Girlz Magazine, Straight Stuntin Magazine and Silk Magazine.** See Creole featured in top music videos with leading artists such as **Andre 3000, Ciara, and Lloyd.** At special events, Creole has made appearances for **Show Magazine Release Party, T.I. Pre Awards, Funkmaster Flex Car Show & BCBG Ultra White Affair.**

Elayshia prides herself as someone who sticks to her own path and welcomes all aspects of modeling that make use of her look for a campaign or genuine personality at special events. **It's no surprise, Creole's an entrepreneur with a large following of model talent around the country that appreciate her experience as the owner of [Book Us Entertainment](http://BookUsEntertainment.com).** As the person in charge, Creole has accomplished business relationships working red carpet, award shows, magazine release parties, and exclusive VIP events.

In regard to the entertainment business, it's just that - business. Music is her first love, Creole is known to be a hard worker, positive, determined and **"loves the lord but not a saint"**. If any downtime is available she's loves to listen to Michael Jackson, Prince and enjoys basketball, positive people, dancers, motivational speakers, poets and rockers. She's quite the nerd when it comes to web design and so much an actor especially when she's modeling - she puts on a show for the camera and her fans but once the lights are out she's loving to those that treat each other with respect.

"I love my Mom, Dad, Family and all who care enough about me to keep in touch. I'm pleased with life and all around me feeling very blessed and thankful for all I've come to see. I know exactly where I'm going in life and going to accomplish all that I want without giving up. I'm never your quitter, very strong but emotional and sensitive but stone at heart, very mellow but at the same time full of exotic, eclectic, myself. You'll either love me because I'm honest or hate me for being too honest - either way doesn't matter to me since I love the lord and he loves us all - I'M NOT PERFECT - I'M JUST BEING ME."

"I appreciate all the support, love and inspiration from my family, friends, fans & most of all my team!" - Elayshia, Creole Barbie
