**Objective:**

Recent college graduate seeking OPT opportunity to apply Business knowledge and skills in a professional work environment.

**Education:**

Bachelor's Degree in Business Administration  
Goldey-Beacom College, Wilmington, Delaware, U.S  
June 2023  
Relevant coursework: Marketing, Accounting, Finance

**Skills:**

- Proficient in video editing, branding, marketing through SNS, communication skills
- Bilingual fluency in Japanese and English

**Projects:**

**YouTube Channel - Inspiring Greatness**

**Brief Description:** On my YouTube channel, "Inspiring Greatness," I create inspiring and motivational videos aimed at uplifting and encouraging viewers to pursue their dreams relentlessly. As a small Asian basketball player who played in college, I use my experiences and challenges to inspire others to overcome obstacles and strive for greatness in any field they are passionate about.

**Your Role and Contributions:** As the content creator and host of "Inspiring Greatness," I conceptualize, film, and edit all the videos on the channel. I craft engaging stories, conduct interviews with inspirational figures, and showcase my basketball journey to inspire viewers to never give up on their aspirations.

**Tools/Technologies Used:** DSLR camera for filming, professional video editing software for post-production, and YouTube analytics for audience insights.

**TikTok & Instagram - Motivation Minute**

**Brief Description:** On TikTok and Instagram, under the handle "Motivation Minute," I share short, impactful, and energetic videos that celebrate the joy of basketball and the power of perseverance. The goal is to entertain and motivate viewers in under a minute, delivering quick bursts of inspiration and positivity.

**Your Role and Contributions:** As the creator behind "Motivation Minute," I develop and produce all the content for both platforms. I create engaging basketball-related challenges, showcase skill tutorials, and deliver motivational messages through concise and visually appealing videos.

**Tools/Technologies Used:** Smartphone for filming, video editing apps, and social media analytics for performance tracking and audience engagement.
