I attended Penryn College from the year 2001 (Grade R) and matriculated from there in the year 2015 (Matric). From an early age i've always had a knack for the dramatic arts and took an extra curricular activity of speech and drama from 2004 to 2015. this particular activity help shape most of my character as it gave me the confidence for public speaking. this coupled with the many sports i used to partake in built an understanding and value for team building and the idea that no objective is out of reach as long as the collective work together towards the common goal. I learnt this ,ost of all from my expreince playing first team Rugby and second hockey. This values have continued to follow throughout life and greatly aided in the completion of my Live performance degree

Penryn

College

28 August 2023

Dear Sir / Madam

Re: Nsuku Dumisa Testimonial

Nsuku Dumisa enrolled as a full time scholar at Penryn College in 2011.

Nsuku was a young man who was actively involved in various aspects of school life during his years at Penryn College.

Nsuku wrote and passed the following subjects in the 2015 Independent Examinations Board National Senior Certificate examinations:

English Home Language
History
Life Orientation

siSwati First Additional Language
Dramatic Arts

Mathematical Literacy
Business Studies

Nsuku involved himself in sports, mostly on the rugby and hockey fields, playing as part of various teams for his five years at Penryn. Being an avid guitarist, he was also culturally invested at Penryn, and formed part of the groups that would be involved in performing at the variety of musical events that would take place during the year. In his Grade 12 year, he was a member of the Cultural Committee, whose role is to organise and promote a love of all things cultural.

Community Service and Outreach is an integral part of Penryn College's ethos, as well as being part of the school curriculum. Nsuku completed the hours required of him.

As a teacher who saw Nsuku's journey through Penryn, I know him to be a young man who is honest and committed to those things about which he is passionate. I hope and trust that all his decisions in life show him to be a young man of good character.

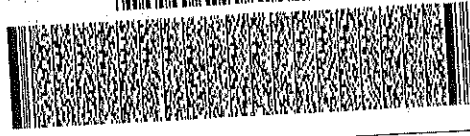

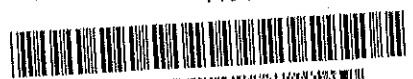

Sincerely

Judith Liebenberg
