Computer science

Cat Casting: Series Extra 7de laan

Jan '17 – Feb 04 2022

Assisted the director and crew with various tasks such as holding reflectors, adjusting lights, etc.

Provided background information for specific scenes to help create a realistic environment (i.e., weather conditions, time of day).

Maintained professional demeanor at all times on set and followed instructions from the director and/or assistant director during filming.

Followed safety guidelines while on set and reported any unsafe working conditions or practices immediately to the production team.

Attended daily call times in order to be prepared for filming that day and arrived early enough to get through security checks before filming begins each morning.

Cat Casting : Movie Extra The Warrior

Feb 09 – March 04 2022

Worked with the director and other actors to create a natural-looking scene for filming

Maintained character's personality throughout the entire production process, including rehearsals and shooting

Followed directions from producers on how to act in front of camera during auditions

Learned lines quickly so that scenes could be shot within one take per setup

Stayed in character while working as an extra on short films, commercials and TV shows

Cat Casting: Background Extra. The Carpenter

March 09 – July 20 2022

Memorized lines and character backstory to stay in character between takes.

Followed direction from the production team to ensure accuracy and consistency in scenes.

Remained professional and courteous to cast and crew while on set.
