## FILM

February 2023, *Megalopolis*, feature film. Dir: Francis Ford Copolla. Background actor.

November 2022, *Lifted*, television series, pilot. Position: featured background actor. I appeared in an A24/Amazon Prime television series as an “influencer”.

October 2022, *Keep Looking Back*, digital video, 1 minute. Position: writer/director/actor. A fictional film about a girl who is being stalked to raise awareness about recent violence against women. Meant to have an ambiguous ending. Created for portfolio.

October 2022, *Through Her Eyes*, digital video, 2 minutes. Position: writer/director. A film to show how I view life through my eyes. Created for portfolio.

August 2022, *A Friend of The Family*, television series, one episode. Position: background actor. I played as a background character in the series *A Friend of The Family* and got to experience the filming and acting process thoroughly.

July 2022, *POST*, music video, three minutes. Position: actor “angel”. I played as the lead angel in local artist Moriah Linton’s music video, *POST*.

June 2022, *PSA SA AWARENESS*, digital video, one minute. Position: Co-writer and director. I made a film with my partner during the Entertainment and Media Studies camp.

### **TRAINING:**

June 2022, University of Georgia Entertainment and Media Studies Camp, one week. Position: student. I attended an Entertainment and Media Studies Camp at UGA where I made my own film and learned about the industry.
