Training

- Dance – Hip hop, Ballet, Lyrical, Jazz. With the D & G dance company for multiple years.

- Choir – Sang with my school choir in both the alto and soprano sections. Did Musical Theatre in Highschool. Been performing in church since I was young. Now I mostly sing recreationally but will still perform in shows.
- Instruments – Piano, Saxophone, Guitar. Took lessons and did some self-teaching for each instrument. Played for multiple years and was very proficient in each. Unfortunately, I no longer play.
- Theatre classes at Occidental College – acting, devising, analysis.

Extra

Was a waitress for 2 years, as well as being in retail and childcare. On a D3 Track and Field team, competing in High Jump, 100m, 200m and 4x100 relay. Currently a Theatre and Performance Studies major. Very into makeup and fashion, on a day-to-day basis but also with SFX and cosplay.
