### WORK EXPERIENCE

---

#### **Correctional Officer**

**Lowell Correctional Institution** - Reddick, FL

December 2019 to Present

I work on a strict schedule making sure inmates are secured, safe, and cared for. I work as internal security making sure the compound is safely operated, and all things are in place.

#### **Senior Motor Vehicle Assistant**

**Tacachale Developmental Disability Center** - Gainesville, FL

June 2019 to December 2019

Loads, deliver and picks up food, count milk and juice accurately, follows established procedures, including maintaining accurate vehicle logs, for performing these functions. Use assigned vehicles properly and as directed to make deliveries. Ensure keys to vehicles are returned to proper place when not being used. Sweep and mop food service building areas as assigned. Remove trash from all areas, keep kitchen areas clean and sanitary at all times.

#### **Maintenance Technician - Seasonal**

**Tacachale** - Gainesville, FL

June 2018 to August 2018

\*Short staffed - help during summer months\*

Diagnosed problems and made repairs, ensured all upkeep, inventory, preventative maintenance, and repair of the grounds, common areas, amenities, and buildings of the community are completed in an efficient and cost effective manner. Expected to be knowledgeable and skilled in the safe use of hand tools and small power tools. All maintenance activities will follow OSHA and company safety policies at all times.

---

## EDUCATION

---

### **Some college in Nursing**

**Hiram College** - Hiram, OH  
August 2017 to May 2019

### **High school or equivalent**

**Santa Fe High School** - Alachua, FL  
August 2013 to June 2017

---
