## Work experience

---

05/1997 – 07/2022  
NY, USA

### Correction Officer

#### NEWYORKSTATEDEPARTMENTOFCORRECTIONS

- Monitored and maintained discipline among inmates, promptly addressing any rule violations and diffusing potentially volatile situations through effective communication and de-escalation techniques.
- Conducted thorough searches of individuals, cells, and common areas to prevent the introduction of contraband into the facility, ensuring the safety and security of staff and inmates.
- Implemented and enforced facility policies and procedures, consistently upholding and promoting a positive and orderly environment for inmates, staff, and visitors.
- Collaborated with interdisciplinary teams, including medical professionals, social workers, and legal authorities, to ensure appropriate care, support, and rehabilitation programs were provided to inmates, facilitating their successful reintegration into society.
- Maintained order and security within a correctional facility by conducting regular patrols, monitoring inmate activities, and promptly responding to any disturbances or emergencies.
- 
- Implemented and enforced facility rules and regulations, ensuring compliance among inmates and addressing any violations through appropriate disciplinary measures, such as issuing warnings, conducting investigations, or placing inmates in solitary confinement.
- 
- Conducted thorough searches of inmates, visitors, and facility areas to prevent the introduction of contraband, using tools such as metal detectors, x-ray machines, and drug-sniffing dogs.
- 
- Collaborated with a multidisciplinary team of correctional staff, including supervisors, medical personnel, and social workers, to develop and implement rehabilitation programs aimed at supporting inmates' successful reintegration into society
