## Summary

"I am a highly skilled and versatile media production expert with a passion for creating engaging and impactful content. With over a decade of experience in the industry, I have honed my skills in various areas of media production, including production management, directing, AD/scheduling, scriptwriting, and digital and social media management.

As a seasoned Film/TV producer and director, I thrive in fast-paced environments and enjoy collaborating with diverse teams to bring creative visions to life. My journey in media production has allowed me to contribute to a wide range of projects, from captivating films to compelling TV series and engaging social media campaigns.

I'm dedicated to the art of storytelling and the power of visuals to convey messages that resonate with audiences. If you're looking for a professional who can turn ideas into stunning visuals and unforgettable stories, let's connect and explore the possibilities together."
