Objective

I am 27 years young. I have a husband and 2 beautiful children. My Jordyn is 5 years old and she is a ball of joy, love and energy! My son, Jaxson, he is almost two and so strong and full of joy and laughter. Definitely a mamas boy. My family is my life. I am a stay at home mother. I enjoy keeping house and being there for every moment with my children. I have danced since I was 3 years old. I have competed at national dance competitions including (Starbound, Elite Dance Cup, and JUMP dance convention). I danced in the church from age 9-17. I taught at my mother's dance school Anointed Pr8ze Dance Company for 4 years, ages 4-6. I also attended Pulse Dance Center in Augusta, GA for 3 years where I trained in ballet, jazz, and modern. I then attended Cutno dance center and trained in hip hop, jazz, ballet, African and tap. In my high school years I danced with Dance Xtreme and competed with them for 2 years. I have extensive dance training even through college. I choreographed dances for various churches in the Albany community including Mount Zion and Greater Second Mount Olive. In my adult years I have done more coaching, teaching, and choreography for various groups. I dance with passion and energy. Dance is the way through life and I plan to dance until I can't dance anymore.
