### CAREER OBJECTIVE

Here's a little about me, I am a extremely passionate individual with background in various styles of music, who possesses an excellent ear for music and an ability to quickly learn new songs. My exceptional communication with the ability to work well with bands, producers, and other musicians. I like to describe myself as a energetic performer with consistent track record of performing classical, modern and hip hop styles for theatre, television and film. My expertise in creating captivating choreography for productions and providing effective instruction to dancers of all skill levels. All in all, I am committed to creating engaging performances that capture audience attention.

- Practiced singing exercises and study with vocal coaches to develop voice and skills and rehearse for upcoming roles.
- Provided musical background for live shows, such as ballets, operas, musical theatre, and cabarets.
