---

## SKILLS

Unofficial well known knowledge in wiring, & computer science. Bigger body build able to lift a lot. Understanding Group and team dynamics. Great driver & large understanding of cars. Car work being my second passion other than psychology.

Able to easily navigate through the field of cars and mechanical work, due to past car fumbles & mess ups, self learning was key.

## EXPERIENCE

### **Lincoln College (DeGents Program), Lincoln IL –**

MONTH 2019 – present

- Male mentoring group doing jobs from, renovation, School RAs, local salesman
- Male group known throughout all of Lincoln and throughout fraternity life at ISU, SIUE & More

## EDUCATION

### **Lincoln College, Lincoln IL – Associates Degree**
