B.S in Music Recording Technology '22

## SUMMARY

Dynamic and versatile professional with a passion for the entertainment industry and a strong foundation in audio engineering, event production, and artist management. Seeking a dynamic role that leverages my diverse skill set, creativity, and program management acumen to contribute to a forward-thinking organization. My career journey has led me through various roles, from an Assistant Audio Engineer to a Stagehand and Production Assistant, with a proven ability to excel in a range of responsibilities. With a keen eye for detail and a flair for creativity, My diverse skill set, coupled with my passion for the industry, makes me an ideal candidate for roles in event production, artist management, and beyond. I am driven to continue making meaningful contributions in the world of entertainment and eager to take on new challenges that allow me to combine my technical expertise with my creative spirit.
