+1 864 313 4859

With impeccable style a man should strive to grow. Resumes are scripts of where you been and how long you were a companies blessing. To Grow Bigger you have to challenge the mind within to allow the mental state to expand and bloom with knowledge. I aim to better myself with different skills. Giving your best at everything you do allows your image to always shine no matter how far you have come

Receive Phone calls about their appliances. I work in the Kitchen appliance apartment where we had trouble shooting guide for Microwaves Stoves and Dishwashers. I assisted with trouble shooting their problems and when problems was not resolved i helped the customer set up for an appointment to have service technician to come out to their home or place of business to service their appliance

Retail Sales Associate/Cashier/Customer Service PT

Ralph Lauren Polo Factory - Gaffney, SC
October 2019 to February 2020

I am the Retail Salesman that turns shopping into an experience. You may be shopping for a love one or maybe yourself, my job comes in when you need something if your looking for something particular i am your guy. I turn your troubles to happiness. I was knowledgeable on products and provided top customer service. I assist with styling and help save money with my knowledge on sales and clearances

Flatbed Driver

Greater Greenville Sanitation - Greenville, SC
September 2019 to December 2019

As a driver my responsibility was to attend morning meeting. Get my job assignment for the day and go through a pre trip for my vehicle that i was assigned to drive. If there were any issues with the truck acknowledge them and bring it to mechanics attention. Every truck had a Tractor to follow to each route. The tractor collects leaves & debris in ditches and or on the road and dumps it on the back of my flatbed truck. Once full I transport the debris to landfill assigned by company weigh and dispose the debris and head back to the route and continue the same pattern until day is over
