I have a strong desire to learn, and put in as much effort as I possibly can, I am easy to train in multiple feilds, and learning the skills required by my employers.

Authorized to work in the US for any employer

Work Experience

Hollister Brand Representative

Hollister Co - Albuquerque, NM
April 2021 to Present

While working at Hollister Co. I aquired skills in customer service, sales, time management, organization, leadership and more. Within my first 3 months of working at this company, I was awarded with employee of the month, meaning I had the most sales, was a team player, picked up where help was needed, and got the most signups towards the company rewards program.

Awards

Employee of the Month

June 2021

After working at Hollister Co. for a few months I was awarded with Employee of the month, with my hard work showing through the sales I made and the numerous good reviews I recieved from costumers.It was not only my work ethic that got me this award, but also my willingness to help the company and my coworkers when needed. I have been known to be someone that picks up shifts when needed, and cover my coworker's shifts when they are in need of coverage. this detail has not gone unnoticed in my entire time working at Hollister. My ability to think on my feet and learn new concepts, is something I have been congragulated on, on numerous occasions.

Certifications and Licenses

Driver's License

June 2023 to January 2026

I have a valid driver's license permitting me to be able to have a career where I can commute or drive for my job.

Additional Information

I have swam for ten years, developing a good sense of teamwork, and the ability to support yet lead my colleagues. I was on varsity all for years of my highschool experience, and was captain my last year. leadership and communication skills were necessary in this role I played.
