Experience (Freelance)

I am an internationally accomplished Fashion Photographer/Director and select fashion films have been shortlisted by "New York Fashion Film Festival" and "Berlin Fashion Film Festival". Marketing campaigns I have shot + direced have had the honor of being the subject of Thesis studies at Yale and Georgetown. Notable international universities such as The Paris College of Art have hired me to lecture their Masters Fashion Photography Students. In the fine art sphere, I have created performances for the Royal Academy of Music, created the internationally renowned podcast "The Rocky Hudson Early Dawn Show", and shown in exhibitions in New York, London, and Paris.
