EXPERIENCE

Sanitor West Valley FritoLay 01/2022-09/2023

- Detailed all machines to maintain an AIB audit and food safe environment, on both processing and packaging sides of the plant.
- Trained on proper handling of strong and corrosive chemicals to use on the walls, floors, machines, pipes and ceilings.
- Maintained a clean and pest free plant environment.

Supervisor West Valley, UT Beans & Brew 08/2010 – 12/2015

- Trained new baristas on coffee preparation, handling and cleaning of equipment, and handling of customer payment in order to ensure consistent customer experience.
- Responsible for opening the store on time and closing after detailing machines, counting till and accounting for inventory when managers were not on shift.
- Established and maintained good rapport with customers to guarantee a quality and personal experience to grow the number of regulars.
- Communicated about employee relations and customer satisfaction to keep a healthy work environment.

Designer and Creator Magna, UT Self-Employed 04/2016 - 03/2022

- Self-trained 3D designer on multiple computer applications and machining systems to pursue an online retail career.
- Designed personal tools and machine modifications for clients looking for unavailable products on the market to better understand and learn the opportunities available in the world of design.
- Developed and maintained Etsy profile to sell unique products to interested clientele.
