Objective

Dedicated and skilled writer with a passion for creating captivating content across diverse genres. Committed to producing high-quality work that engages readers and achieves client goals. Seeking a writer position to leverage my writing proficiency and creative abilities.

Work Experience

Freelance Data Analyst   **Propcert**

I was tasked with the responsibility of cleansing raw data, meticulously structuring it within spreadsheets, and deriving meaningful insights from the information. Subsequently, I utilized these insights to craft captivating data visualizations that effectively communicated the outcomes yielded by the data analysis process.

News Article Writer   **Games Latest News**

As a News Article Writer at Games Latest News, my responsibilities included writing articles on gaming industry developments, conducting interviews, analyzing market trends, promoting content on social media, using multimedia, staying updated on industry news, and maintaining ethical journalism standards while engaging with the gaming community.

Sports News Writer   **Dictate Sports**

I am a highly skilled and creative Sports Article Writer with a specialization in writing compelling sports content. I bring efficiency and dynamism to the content creation process. My strength lies in capturing the essence of various sporting events through vivid storytelling, ensuring that the articles resonate with diverse audiences. I consistently deliver high-quality pieces within tight deadlines and adhere to editorial guidelines. My Main sport was football and the main club was Tottenham Hotspur

Writing Experience.

I've authored a self-published book, a personal accomplishment that speaks to my dedication to writing. Furthermore, one of my poems has found its place within the pages of a published anthology. My lifelong journey through literature has led me to explore over a thousand books, nurturing a fervent passion for both reading, writing and continuous learning.
