Personal statement:	<p>My name is Matthius Douglas, Matt, I am a 18 year old student at Homewood-Flossmoor High School. I have so far worked a year and 6 months at Walgreens in Olympia Fields, coached a rec soccer team for my community, apart of many different engineering programs at my school and in the community, as well as a personal coach and trainer for soccer on the side. I am a hardwork, a positive person, and have a good heart and good sense of humor to make sure those around me are comfortable and at ease while working. I enjoy helping out others as much as possible, customers, colleagues, friends, anyone. I listen to everyone and love to learn from others so I can get better at what I am doing and how I can have that knowledge in the future. Have a very deep passion for cars and recently started getting more into the car industry and reaching out to others to help me and to teach myself about the industry.</p>
