I am currently employed by Cherokee County EMS as an AEMT/Firefighter. I love helping people and being a public servant. I love the outdoors, and I am not afraid to get my hands dirty. I was a 3 sport athlete in high school and played football in college. I am a hard worker and do not mind working long hours, holidays, and weekends as I am used to doing this as a firefighter.

Authorized to work in the US for any employer

Willing to relocate: Anywhere
