Extra Info

Hiii! My name is Anaveya! I'm a fourteen year old in Albuquerque, NM who has been in love with the idea of acting since I was nine. I'm not the most wealthy person and I apologize for the bad quality on my photos but everyone starts somewhere! Most of my experience comes from classes I take and school plays but I have done an actual audition for a Disney related company. My biggest inspiration and idol is Jack Dylan Grazer and I love movies such as IT, The Goldfinch, and The outsiders. I take a lot of inspiration in the acting from those movies! I wish to grow my acting skills and hopefully get more recognized!
