I have done acting camp training, performed in various plays, and worked with the Imaginary Theater Company for three years. I have taken basic piano, vocal and dance lessons, and I am self-taught in music production. In my free time, I write, compose, and record my own songs. I currently attend the Regional Center for the Arts and study Creative Media. Over there, I take/have taken theater, keyboarding, self-marketing, photography, and hip hop classes as well. This is my 12th year as a Girl Scout and through that I have received a Silver Award, and done various projects and activities. I also take an interest in fashion design, and enjoy baking and hiking to decompress. In the past I have taken horseback riding and horse care lessons.
