My name is Lexi Kemmer and I am a 17-year-old actress based in New York. I'm truly passionate about what I do and very ambitious. I've dedicated time to expanding my skills through lessons such as Scene Study, on-camera techniques, and Improvisation. I've had the privilege of being part of great projects, such as a film featured at the All-American High School Film Festival and a WIRED YouTube video. I'm eagerly looking forward to what the future holds in store.
