## Muhammad Ali Mujtaba

### EDUCATION AND QUALIFICATION

<b>M.Sc. (Hons.) Entomology</b> University of Agriculture, Faisalabad.	2018-2020
<b>B.Sc. (Hons.) Agriculture Entomology (MAJOR)</b> PMAS- Arid Agriculture University Rawalpindi	2014-2018
<b>Board of Intermediate and Secondary Education</b> Intermediate F.Sc. (Pre- medical)	2012-2014
Matriculation	2010-2012

### Purpose of study

I want to be a part of an organization that thrives on best. Professional practices in research and education and puts forth a challenging career whereby I can optimize my skills.

### Research Experience (Paper published in International Journal)

Asad Yar, M Ahsan Khan, **M Ali Mujtaba**, Kamran Ghani and Imran Ali. Toxicity of conventional insecticides against the field population of *Amrasca devastans* (Distant) (Homoptera: Cicadellidae). *Journal of Entomology and Zoology Studies*. 2020; 8(2): 01-04.

### Area of interest:

- Evaluation of toxicity of Insecticides against insect pest
- Insecticide Resistance and their Management in Insect pest
- Use of Nano technology & Plant extract to control Insect pests of Agriculture and stored grains.

### Experience

#### Assistant Entomologist (2020-)

Assistant Entomologist in Dengue Prevention and control program, District Health Authority Rawalpindi.

### Trainings:

- One month training for “Bumble bees Rearing” at PMAS Arid Agriculture University Rawalpindi
- One day training for “Paraffin Dipping” of bees hive at PMAS Arid Agriculture University Rawalpindi
- One day training for “Honey bees Rearing” at Bari Agriculture research institute Chakwal

### Conferences:

- International Conference of Egg Day 2017 at Arid Agriculture University, Rawalpindi, Pakistan
- World Bees Day 21 May 2018 at Arid Agriculture University, Rawalpindi, Pakistan
- International Horticulture Conference 25-27 April 2018 organized by PMAS Arid Agriculture University, Rawalpindi, Pakistan
- International Entomological Congress 7-10 April 2019 organized by University of Agriculture, Faisalabad.

**Professional courses:**

- Insect Morphology
- Insect Ecology
- Principles of Insect Taxonomy
- Agricultural Pest & their Management
- Insect Pest of Household, Man & Animals
- Agriculture and Environmental Pollution
- Integrated Pest Management
- Stored Products Pests & their Management
- Insect Biodiversity & their Evolution
- Insecticides and their Application
- Insect Physiology
- Apiculture
- Environmental Entomology
- Insecticides and Public Health
- Scientific Writing & Presentation
- Project Planning, Execution & Writing
- Insecticide Resistance & their Management
- Classification of Immature Insects
- Research methods in Entomology
- Advances in Pest Management and Research
- Biological Control of Insect Pest and Weeds
- Acarology

**Languages:**

- English (fluent)
- Urdu
- Punjabi

**IT'S Skills:**

- MS Office complete
- Microsoft Windows Operating system
- SPSS
- CRD
- RCBD

**Interests:**

- Tourism Hiking
- Hiking
- Badminton
- Book reading
- Camping
- Insect Collection

**Skills:**

- Communication skills
- Laboratory work
- Collect and organize samples and data

**Achievements:**

- Laptop through Prime Minister's Laptop Scheme 2017.
