Brooke Wyndham , Lake Forest High School

Dec 2022 — Mar 2023, Felton

This was my first principal role in my high school career! I played Brooke Wyndham and was a Delta Nu! I had to sing will jump roping, which has increased my stamina and breath control. This role taught me how to persevere and continue on with the show. This also helped me to stay in character even when I didn't have lines as much as others. During this production I was taught how to properly belt and use my head voice.

Lead Actor , Drowning Pool Studios

Jun 2023 — Sep 2023, Dover

I started to expand my abilities and audition for a short film and a local film company. This role helped to further my acting experience and diversity in the roles I play. I was in a short film called "Dream Lover," where I played a whimsical love interest.

Stage Crew , Fine Arts Center

Sep 2023 — Dec 2023, Kingston

This was my first production at the Fine Arts Center in Kingston, Rhode Island. I made sets using wood, metal, etc. I also helped in costuming where I can helping actors with quick changes. The production I did was *Marie Antoinette*.
