OBJECTIVE

As a dedicated Registered Nurse, with 14 years practical acute care bedside experience, my goal is to obtain a full time dayshift travel RN position where I can utilize, enhance, and build on my strong bedside nursing knowledge, analytical, critical thinking, and communication skills to continue to provide patient and family centered care.

SUMMARY

- 15 years acute care bedside patient care experience
- 2 years of those as travel RN
- 6 of those years in acute care float pool RN
- experience floating to ICU/burn ICU units during COVID as helping hands
- experience with EPIC, Horizon Expert Documentation, STAR, Teletracking, CPN, Eclipsis' Sunrise Clinical Manager, First Net, Meditech, Cerner, Capacity, Microsoft, and Macintosh computer systems
- energetic, with strong analytical skills, attention to detail, strong assertive communication skills with all ancillary groups of Wellstar.
- capable of rapidly assessing conditions and implementing appropriate interventions
- goal oriented, organized self-starter who can be counted on to obtain excellent results
- compassionate nurse accustomed to caring for a broad spectrum of personalities and ethnic backgrounds
