ABOUT ME

I am **Lexa Lozano, I'm a Graphic Designer** specializing in Social Media feed and story design.

I have editing skills. I specialize in various editing techniques such as editing for products and events. I am proficient with professional softwares to produce high-quality designs.

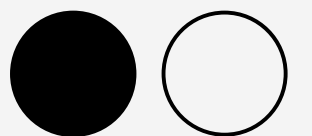

I specialize in constructing minimalist visually stunning designs that are simple but catchy.

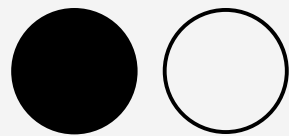

I am collaborative and flexible to the people I will work with and easy to adjust in workspaces.

I am passionate in what I do and be a part of the growing field of graphic design.
