## EDUCATION

---

### University of Maryland, A James Clark School of Engineering

College Park, MD

Bachelor of Science, Aerospace Engineering

August 29<sup>th</sup>, 2012 - May 20<sup>th</sup>, 2017

*Related Coursework:* Introduction to Engineering Design, Engineering Graphics I, Mechanics II, Introduction to Aerospace Systems, Aerospace Computing, Dynamics of Aerospace Systems, Aerodynamics I & II, Aerospace Instrument & Experimentation, Flight Software Systems, Aerospace Engineering Profession II, Aerospace Structures, Control of Aerospace Systems, Vibration & Aeroelasticity, Aircraft Propulsion, Introduction to Aviation for Pilot Training, Aircraft Flight Dynamics, Principles of Aircraft Design, Aerospace Engineering Laboratory, Aeronautical System Design, Introductory Physics: Mechanics & Relativity, Physics Laboratory Introduction, Introductory Physics: Fields, Introductory Physics: Waves, Experimental Physics I, Electrodynamics Light Relativity & Modern Physics, E&M Modern Physics Laboratory, Calculus II, Calculus III, Differential Equations for Scientist and Engineers, General Chemistry for Engineers.

Minor in Astronomy

*Related Coursework:* Introduction to Astrophysics I & II, Science and Fiction of Planetary Systems, Solar System Astronomy, Astrobiology, and Theoretical Astrophysics

Delran High School

Delran, New Jersey

High School Diploma

June 2012

*Related Coursework:* AP Calculus, AP Physics, AP Biology, AP Chemistry, AP History, Physical Education, Spanish, Algebra, Geometry, Art

## CAPABILITIES

---

- **Powered Lift Equipment:** Electric Pallet Jack, Forklift (propane), Walkie Stacker
- **Specialized Training:** Aviation Private Pilot Training (Ground School), NAUI Scuba Diver
- **Transportation:** Valid State Driver's License

## WORK EXPERIENCE

---

### FedEx Freight

Middletown, PA

Forklift Operator

October 15<sup>th</sup>, 2023 – December 29<sup>th</sup>, 2023

- I performed freight handling using appropriate motorized and manual equipment, including but not limited to: forklift, pallet jack, hand truck.
- I verified that documentation matched freight description (e.g. type, weight, hazardous material), using forklift computer and dock computer.
- I secured freight inside the trailers using appropriate tools and supplies (e.g. pallets, straps, rope).
- I recouped/repaired damaged freight when necessary.
- I completed training videos and was instructed on proper safety procedures.
- I wore proper clothing for dock environment while exposed to exhaust, fumes, dust, noise, and weather.
- I communicated with other operators and management center personnel in fast paced environment while being deadline oriented.

### Wawa

Philadelphia, PA

Customer Service Associate

July 2021 – December 2022

- I greeted and provided an enjoyable shopping experience for all customers. I responded to customer requests and complaints in a timely and courteous manner.
- I stored food to meet safety and compliance guidelines; operated and sanitized food-related equipment.
- I communicated with the GM, AGM, FBGM, CSM regarding customer requests requiring a manager.
- I operated the cash register, scanned items, bagged merchandise and properly handled different methods of payment.
- I maintained proper levels in register drawer and changed machines by communicating with management.

- I activated fuel gift cards and assisted with lottery purchases as needed.
- I complied with federal transactions and monitored activities at the fuel court.
- I prepared all made to order food and/or beverage according to recipe or customer specifications.
- I stocked food and beverage areas with products and supplies to always ensure in stock conditions.
- I completed cleanliness tasks to ensure all food and beverage service areas are free of any residue, debris, and spills.
- I followed proper coding procedures; I checked expiration codes; inspected all items; pulled expired items; documented the items and discarded them.
- I completed all store housekeeping functions (i.e., cleaning, dusting, sweeping, mopping, emptying trash, etc.)
- I completed other tasks assigned by store management.

**Walmart**

Mount Laurel, NJ

*Associate (Stocking)*

January 2020 – July 2021

- I operated the electric pallet jack.
- I provided customer service.
- I CAPPED bins and work picks.
- I set new features on store endcaps to sell more volume of products.
- I down stocked topstock in hardlines, HBA, pharmacy, grocery, sporting goods, housewares; stationary.
- I made sure overstock is checked and placed in topstock or binned in the back room if floor space is unavailable.
- I set up for the GM truck unload to prepare for CAP team 2 members.
- I unloaded and sorted high velocity distribution center (HVDC), and regional distribution center (RDC) Trucks.
- I strategically stock with direction from management in all sections of the store.
- I stage freight for overnight team associates.
- I make sure the backroom is clean and organized.
- I make sure all trash, debris, and cardboard has been properly taken care of after stocking.

**Sales**

Greater Philadelphia Area, PA

*Client Relationship Representative*

May 2017 – January 2020

- I conducted phone calls.
- I operated on commission.
- I transported myself, customers, and clients to pre-arranged destinations.
- I communicate with team members.
- I tracked my spending and income.
- I followed stock market indexes.
- I applied to various positions.
- I conducted myself professionally.
- I networked and utilized team work.

**SKILLS**

---

- Computer Programming Languages: MATLAB (Capable), Visual Studio C++ (Exposure)
- Software: Ableton, Python, LabView, RedHat Linux, Windows 10, MAC OS X, Tivoli Integrated Portal, SPLUNK (User)
- Language Skills: Russian (First Year)
- Computer Aided Design (CAD): SolidWorks, Autodesk Inventor, Siemens NX11
- Social Media: Facebook, Twitter (Advanced Proficient)
- Microsoft Office: Word, PowerPoint, and Excel (Advanced Proficient)
