## ABOUT THE ARTIST

Tiffani Michele, born Tiffany Michele Walter, is a Georgia native who discovered her passion for entertaining at a very young age. Raised by her then single mother and grandparents, it was around the age of four years old that she learned that she had a "voice". She can recall sitting in the back of her grandfather's clothing store who was a jazz enthusiast, listening to the likes of Ella Fitz Gerald, Billie Holiday, Nina Symone and Sarah Vaughan. She would mimic their vocal sound and syncopated rhythms, later developing her very soulful delivery style. Her family realized that she had a gift and decided to get her involved in the choir at their local church.

Tiffani Michele was educated in the Savannah Chatham County Public School System and upon the completion of her secondary education, she attended Mercer University, a private Baptist college in Macon, GA. She went on to receive Masters degrees in both Education and Religious Leadership.

Tiffani Michele has been busy with her entertainment career most notably her recent immersion into the film industry. She has had the opportunity to be casted in multiple film, television and commercial productions on varying media platforms to include BounceTV, BET+, YouTube, Tubi, and local Atlanta news outlets.

Tiffani Michele is most proud of the ability to put a smile on the faces of those in her audience. Whether it's acting, singing, speaking, or making someone laugh, she loves being a positive influence to those she interacts with. She believes that her soulful voice, positive energy, and endearing spirit sets her apart from many other entertainers. There are many people who sing. Many who can speak to a crowd or empower an individual. There are many who take pretty photos... but none will have the same infectious energy that she possesses. She knows that she is "fearfully and wonderfully made". Once you have the opportunity to engage with her, you'll understand why. She lives by the mantra, "In all things, give thanks" and we are so thankful that you have decided to learn more about Tiffani Michele.
