

PL

Patrick Pat Lawler

PROFESSIONAL PROFILE

I have developed a passion for assisting my community especially relating to my role in the Fire Service. I have completed my state and national Hazmat awareness and operations, as well as Fire 1.. I am hoping to take my EMT training course in the near future. I am a dedicated individual looking for a firefighter position that will use skills learned in firefighter training such as; communication, commitment to service, problem sensitivity and solving, to positively affect the health and safety of the greater good.
