## SUMMARY

My name is Harper Anderson. I am 10 years old and live in Chickamauga Georgia. My acting career began in February when I was chosen to be apart of a new Francis Ford Coppola Film, Megalopolis. Since the experience I decided i wanted to pursue acting and modeling as a full time hobby and see where it leads me. I have met some fantastic actors along the way and I am so excited to see what my future holds and where God it leads me next.
