PROFESSIONAL EXPERIENCE

Tiny Studio at Hendy Street

Art and Creative Director | June 2023 - Present

Orchestrate visually captivating sets, lead photoshoot production and direction, contribute to product photography and videography, attract new clients, and effectively engage influencers and audiences through cutting-edge social media marketing.

Hendy Street Produxions

Video Editor and Producer | May 2022 - Present

Utilize Final Cut Pro daily to edit scripted and loose stories, effectively reaching client goals and meeting deliverable deadlines. Collaborate closely with the director during the production and preproduction process to maintain a high level of creativity throughout every project. Experience as a locations scout and locations assistant on sets.

Post-Production Intern | Feb 2022 - May 2022

Assisted in editing high-quality videos for social media and gained hands-on experience with pre-production, production, and post-production tasks such as sourcing stock music and keeping up with trends.

Lighthouse Films

Post-Production Intern | Aug 2021 - Dec 2021

Remote Post-Production Intern, collaborating closely with a mentor to gain hands-on experience in Adobe Premiere Pro and After Effects. Focused primarily on editing and uploading stock footage, this internship honed my foundational skills in post-production and problem-solving.
