## Bio

I am Lurtecia Nero a college student currently studying, Transport and Logistics in Cape Town.

I am a very observative, hardworking, dedicated and risk taker person. I am currently into drama and would like to gain knowledge and experience to build myself a career in the entertainment industry.

My goal for entering the industry is to build a strong foundation of knowledge and experience. To participate in training programs, workshops. With dedication, perseverance, and a strong work ethic one can achieve your goals.

---

## Experience

Currently I have no experience, but am dedicated to learn, work hard and show what I am capable of doing even without experience.

## Training

I have had no professional training before, that is why I am willing to learn and dedicate myself to achieve my goals.
