Skills

- Script Coverage
- Microsoft Office Suite
- Google Workspace
- Film Production
- Writing
- AVID Media Composer
- Research
- Adobe Premiere

Experience

Creative Producing Intern, NFL Films; Mount Laurel, NJ --August 2023-February 2024

Logged 5 hours of footage a week, conducted research, wrote, and fact-checked scripts in a 60-hour turnaround time for 22 episodes of *NFL Turning Point* on ESPN+. Volunteered as a runner for two NFL games across the Northeast for long-lens and handheld field cameras on one week's notice.

Director/Producer/Writer, "Forgive Me Father"; Orlando, FL— May 2023

Directly involved with all aspects of the development process from the film's inception. Conducted an online casting process involving 7 actors. Created shot lists, and call sheets. Due to the low budget, I also constructed a functional set for the film by hand.

Production Assistant, "Benny"; Orlando, FL—March 2023

Managed lighting, crafts, and set decoration during the 11-hour shoot of "Benny". Communicated directly with the gaffer and designed sets to meet the director's strong visual aesthetic.

Guest Service Associate, University of Central Florida; Orlando, FL — 2022-Present

Greet and assist guests at numerous Student Union locations across a campus of over 50,000 students.

Sports Content Writer, ShePlays; Orlando, FL — March 2021- August 2021

Conducted interviews and developed two to three original weekly articles covering the hottest stories in women's sports.

Director/Writer, "Viva la Revolution"; Miami, FL— July 2019

Official Selection at the *San Bernardino Valley College International Film Festival*

Education

University of Central Florida—**B.A. in Film, Minor in Mass Media, Cum Laude, 2023**
