EXPERIENCE

3RD GRADE TEACHER — Meadowview Intermediate School

Country Club Hills, IL, August 2023 - Present

- Assess student performance through observation, formal testing, work samples, and other methods.
- Implementing behavior modification programs designed to reduce disruptive behaviors in class.
- Facilitate small group activities to facilitate peer-to-peer learning experiences.
- Creating engaging lessons that incorporate technology, arts, and hands-on activities.
- Adapting teaching methods based on student feedback to maximize learning outcomes.
- Establish positive relationships with students, parents, and colleagues through effective communication.

STUDENT TEACHER — Meadowview Intermediate School

Country Club Hills, IL, January 2023 - May 2023

- Planned and implemented daily lessons for a 3rd-grade accelerated class of 22 students.
- Implemented novels such as, How to Eat Fried Worms, and Henry Huggins, with a variety of instructional strategies that were used such as large and small group discussions, writing prompts, hands-on, and listening activities.
- Integrated research projects
- Incorporate innovative applications of current technology and cutting-edge media into lessons.

- Created a center-based atmosphere to encourage the development of collaboration skills.
- Established positive relationships with parents and guardians of students.
- Facilitated meaningful discussions among small groups of students during guided reading sessions.
- Collaborated with teachers to analyze student learning processes and difficulties.

PEER MENTOR- STUDENT WORKER — Lewis University

Romeoville, IL, *July 2021 - December 2023*

- Organized peer tutoring environment to promote productivity and learning.
- Demonstrated ability to build strong relationships with peers through active listening and providing emotional support.
- Created activities and workshops designed to increase self-awareness, confidence, and problem-solving skills.
- Conducted regular one-on-one meetings with mentees to assess progress toward goals.
- Encouraged mentees to set realistic goals for themselves and provided resources for achieving them.

RESEARCH ASSISTANT — 21st Century Community Learning Centers

Romeoville, IL, *August 2021 - May 2023*

- Organized and reported data into Qualtrics.
- Visited program sites at least twice a month.
- Met face-to-face with site coordinators for monthly meetings.
- Created reports to summarize research results in an easy-to-understand format.
- Compiled data into tables, graphs, and charts for presentation purposes or publication in journals or magazines.
- Conducted surveys or administered questionnaires to collect data from participants in studies or experiments.
