About me

I am 18 years old, I'm senior at McCutcheon High School. I have been on the Tennis team and have done small parts in theater for two years and on the XC team for 2 years, where I learned great teamwork, adaptability, and communication skills. As a side hobby, I love to bake and photography. I am also on the speech team, and student council, and a part of the IHSAA representatives at MHS. In the future, I plan to go to a university to further my goals and career in Computer Engineering.

Work Experience

7/27 - 8/5/21
Food Finders Food Bank, Inc.

Volunteer Service

- Completed 20.25 volunteering hours.
- I helped check points for those receiving food and during the weekends, I helped stock the food. I would make sure that all carts were clean to use and that everyone was wearing a mask properly.
- This experience helped me develop a good work ethic, patience, strong communication, and great responsibility.

6/1-8/06/2022
Crumbl Cookies

Cookie Baking

- I worked as a cashier, baking cookies in the ovens, balling dough, cleaning and sanitizing surfaces, dressing cookies, and running the cookies out to customers.
- This experience helped me learn how to work in a fast pace environment, get more experience with working with money, and learned more about giving great customer service.

6/15-7/28/2022
Purdue University

Custodial Student Services

- Working at Purdue, I vacuumed floors, cleaned surfaces, dusted ceilings and surfaces, cleaned glass windows, mopped floors, and did laundry for rags.
- This experience helped me learn more about cleaning certain areas and I learned about the safety precautions of using chemicals. It was interesting to see student dorms and see college students run through their routines.

10/20/22 - Current
Target

Retail

- I currently work at Target as a stylist and cashier. I work with folding clothes, styling mannequins, organizing clothing, and working in the fitting rooms.
- Working at Target has helped me understand guests and work towards the goal of helping them have a great experience. Having multiple interactions with customers has helped me advance my communication skills. It has also helped me learn how to multitask and work in a fast-paced environment.
