NCS graduation certificate

July 2022

During the beginning of summer after Year 11, I was involved in a youth group called NCS (a government funded organisation) and helped raise money for a local food bank. I was able to use my communication skills to speak to the local people in the area, spread awareness about the organisation and helping raise money. In the end, we donated all of the raised money to a local mosque so they could help the local people in need of food.
