Goals

Thanks to my mother's resourcefulness, since I was a child I participated for fun in fashion shows organized in my region.

As I grew up I dedicated myself to other fields and studies.

However, the passion for fashion has remained within me.

Experience as a model over 50 years and internal fitting tests for small local brands.

My measurements:

Height ----- 166 cm

Breast ----- 92 cm

Underbust -- 77 cm

Waist -----72 cm

Basin -----98 cm

I have loved acting and dubbing since I was a child.

As an adult I had the opportunity to attend an excellent dubbing and acting school at an amateur level.

I am ready to be put to the test to give the best of my expressive abilities.

Continue with stubbornness, determination and preparation to pursue the path of acting, my only great passion.

I have asked myself several times what pushed me to embark on a difficult path full of "no" and "we'll let you know".

I gave myself an answer.

Being an actress is the only chance that life gives you to be able to live many lives while remaining yourself.
